DESCRIPTION

Can Font de Muntanya is a place of peace and tranquillity in the middle of the Gavarres massif, located in the village of Cruïlles in the Baix Empordà where we can relax in a privileged environment with spectacular outdoor garden and swimming pool area with fantastic views of the Medes Islands and the Bay of Roses. Ideal for a family holiday or a getaway with friends, in a setting of peace, privacy and exclusivity. In Can Font de Muntanya we have horse stables, organic vegetable garden and is set in extensive grounds. For all these reasons, it offers the perfect environment to find oneself again, disconnecting from daily activities, without giving up the comforts that make daily life easier. In Can Font de Muntanya is the old restored farmhouse, here we find 4 bedroom suites, a spacious and pleasant living room ideal for relaxing and enjoying quality downtime with the family and fully equipped kitchen. From the living-dining room we have access to a pleasant terrace ideal for alfresco dining La Figuera located in the smaller building of the estate, but the size of the room is really remarkable. Being on the first floor, it offers privileged views thanks to its northeast orientation, and it also has a bright terrace at the entrance for individual use. A real delight to enjoy 365 days a year. A beautiful fig tree dyes the room green with its leaves and fills it with a pleasant fragrance, perhaps one of the most representative of the Mediterranean. Inside the room, many surprises await us, including a fireplace that makes it a unique room in Can Font. In addition, it has capacity for three people thanks to its king size bed and an additional single sofa. The bathroom is very spacious and cosy, with micro-cement finishes, large mirrors, separation between the shower area and the toilet and, like the rest of the room, it is heated with radiators and towel rail. In case of interest, it can be connected to the room Colibrí through a separating door.Colibri: It is said that

hummingbirds need outdoor space and nature, such as they can find in the large terrace of our private garden at the entrance of this room. With fantastic views thanks to its southerly orientation and first floor location. When you enter the room you will be surrounded by a child's staircase, in a very spacious and comfortable space. It can accommodate up to four people with its king-size bed and sofa bed. It also includes fantastic furniture with white woodwork, large wardrobes and a generous front mirror. The room includes radiators and heaters, , and the bathroom separates the shower area from the sanitary area. But the decorative element that permeates the entire space is the figure of two large hummingbirds that act as the headboard in the form of a heart. If you are interested, this room can connect to the La Figuera .La Roca : La Roca connects with the soul of Can Font de Muntanya with one of its stone walls that contains centuries of history as it belonged to the original farmhouse. But it also connects with the maximum comfort thanks to its king size bed and a sofa bed for two people. With nature, thanks to its exclusive terrace. With functionality, because it has independent security and sanitary areas. With comfort, thanks to its radiators and heated towel rail. Without forgetting aesthetics. In this room you will enjoy multiple decorative elements of great personality and beauty. But perhaps the bathroom's impressive washbasins, handcrafted with antique stones, stand out.L'Olivera : An olive tree guards the entrance to this intimate room, giving it all its symbolism. This space represents and transmits renewal and personal growth. It has a west orientation so it integrates perfectly into the environment and has a direct exit to the large garden and the common areas that offer access to space around the estate. It is a room full of unnecessary or gratuitous elements, sending a clear example of elegance, simplicity and the philosophy of less is more. It includes a bathroom that provides all the comforts with a shower and a sanitary area. A very special room for a gentleman who wishes to disconnect from everyday life and renew his energy. West facing. Located on the ground floor with direct access to the garden. Maximum capacity: 13 Persons (Maximum 8 adults) It is possible to increase the accommodation capacity by renting two en suite rooms with King Size beds: · La Volta Room: €250/night · La Cova Room: €250/night La Volta: La Volta will make you fall in love even before you enter. Particularly when you cross its cozy private terrace with comfortable outdoor furniture so that you can enjoy the sun, the open air and nature throughout the day in an intimate and private way. Once inside, the room will surprise you with its wooden beamed ceilings and a large, cozy space with a large bed with a spectacular headboard. And a real decorative and practical jewel at the same time: an elongated handmade stone pike that gives a tone of authenticity to the whole environment, combining fantastically with more fragile decorative elements and more refined aesthetics. The room takes its name from the rounded ceiling that covers the bathroom area. A peculiar space distributed in a unique way, with two symmetrical showers and a sanitary area. The soft tones and decoration of the bathroom create a calm and pleasant atmosphere with relaxing indirect lighting.La Cova Bedroom: Everything and its name, I found, in this room is accessed by crossing a cheerful and bright terrace that is ideal to enjoy long moments of conversation, of slow reading or simply to sunbathe privately and without interruptions. Once inside, the room comes with intensity thanks to its king size bed and the furniture that accompanies it creating an harmonious ensemble. There are multiple details that will dispel you as the combination between the door and the mirror of the bathroom that shows a passion for detail difficult to match. In this room you will be able to enjoy one of the simplest but rewarding lights that you can experience. Thanks to the glass roof of the Duchy that transmits the feeling of being in the free air and its floor of rounded stones that connect you with nature. HUTG-033000
