DESCRIPTION

Villa Cala Corbs – Luxury villa rental on the seafront in Palamós with private pool, jacuzzi and direct access to a virgin cove Es Castell Natural Park Costa Brava Villa Cala Corbs is not just another villa on the Costa Brava. It is one of those rare properties that barely exist anymore in the Mediterranean: right on the seafront, within a protected natural park, with private access to a virgin cove you won't find in any travel guide. Located in the Es Castell Natural Park, in Palamós, the villa features a private pool with jacuzzi, panoramic views over the Mediterranean and direct access to the coastal path and Cala Corbs — turquoise waters, pine trees down to the shore, and the feeling of having the Costa Brava all to yourself. Outdoor areas: private pool with jacuzzi, sauna, natural garden and direct access to a virgin cove in Palamós Everything about this villa is designed to make you never want to leave: · Private pool with jacuzzi and sauna facing the sea — where you'll spend most of your day. · Direct access to Cala Corbs via the coastal path — crystal-clear waters your children will remember for the rest of their lives. · Terrace on the clifftop with a suspended bar and unobstructed views over the Mediterranean — dinners here are something else. · Covered porch with lounge sofas and outdoor dining area next to the pool. · 3,000 m² of natural garden in a protected setting — no neighbours, no noise, just sea and pine trees. · Pétanque, table tennis and table football for those who can't sit still. Interior: 300 m² renovated villa for 12 guests in Palamós, Costa Brava 300 m² fully renovated with top-quality materials. Bright, spacious rooms with the sea always in view. Ground floor ·

What lies on the other side is increasingly hard to find: a seafront property within a protected, undeveloped natural park, where the only sound is the Mediterranean. 15 minutes by car to the centre of Palamós — restaurants, market, marina and beaches. But once you arrive at the villa, leaving is the last thing on your mind. Es Castell Natural Park is one of the last undeveloped stretches of coastline on the entire Costa Brava. Very few properties on the market can say the same. Book Villa Cala Corbs — one of the finest seafront villa rentals in Palamós with private access to the sea.
